

I want a hippopotamus for Christmas
 Only a hippopotamus will do
 No crocodiles or rhinoceroses
 I only like hippopotamuses
 And hippopotamuses like me too!

Silent Night

Verse 1:

Silent Night, Holy Night!
 All is calm, all is bright,
 'Round yon Virgin Mother and Child
 Holy Infant so tender and mild
 Sleep in heavenly peace,
 Sleep in heavenly peace.

Verse 3:

Silent night, holy night,
 Son of God, love's pure light;
 Radiant beams from Thy holy face
 With the dawn of redeeming grace,
 Jesus, Lord, at Thy birth,
 Jesus, Lord, at Thy birth.

Verse 2:

Silent night, holy night,
 Shepherds quake at the sight;
 Glories stream from heaven afar,
 Heavenly hosts sing Alleluia!
 Christ the Savior is born,
 Christ the Savior is born!

Verse 4:

Silent night, holy night,
 Wondrous star, lend thy light;
 With the angels let us sing,
 Alleluia to our King;
 Christ the Savior is born,
 Christ the Savior is born!

Synchronized (synchro) skating is a discipline of figure skating where 8–20 skaters skate together as one team. The team moves as a flowing unit at high speed while completing difficult footwork and formations and learning the value of teamwork! (Continued on page 5)

I Want A Hippopotamus For Christmas

I want a hippopotamus for Christmas
Only a hippopotamus will do
Don't want a doll, no dinky Tinker Toy
I want a hippopotamus to play with and enjoy

I want a hippopotamus for Christmas
I don't think Santa Claus will mind, do you?
He won't have to use our dirty chimney flue
Just bring him through the front door,
that's the easy thing to do

I can see me now on Christmas morning,
creeping down the stairs
Oh what joy and what surprise
when I open up my eyes
to see a hippo hero standing there

I want a hippopotamus for Christmas
Only a hippopotamus will do
No crocodiles, no rhinoceroses
I only like hippopotamuses
And hippopotamuses like me too

Mom says the hippo would eat me up, but then
Teacher says a hippo is a vegetarian.
(Short Music Interlude)
There's lots of room for him in our two-car garage
I'd feed him there and wash him there and give him his massage

I can see me now on Christmas morning,
creeping down the stairs
Oh what joy and what surprise
when I open up my eyes
to see a hippo hero standing there

FROSTY THE SNOWMAN

Frosty the snowman
was a jolly happy soul,
With a corncob pipe and a button nose
And two eyes made out of coal.
Frosty the snowman
is a fairy tale, they say,
He was made of snow but the children
Know how he came to life one day.

There must have been some magic
in that Old silk hat they found.
For when they placed it on his head
He began to dance around.

O, Frosty the snowman
Was alive as he could be,
And the children say he could laugh
And play just the same as you and me.

Thumpetty thump thump,
Thumpetty thump thump,
Look at Frosty go.
Thumpetty thump thump,
Thumpetty thump thump,
Over the hills of snow.

Frosty the snowman knew
The sun was hot that day,
So he said, "Let's run and
We'll have some fun
Now before I melt away."
Down to the village,
With a broomstick in his hand,
Running here and there all
Around the square saying,
Catch me if you can.
He led them down the streets of town
Right to the traffic cop.
And he only paused a moment when
He heard him holler "Stop!"
For Frosty the snow man
Had to hurry on his way,
But he waved goodbye saying,
"Don't you cry,
I'll be back again some day."
Thumpetty thump thump,
Thumpetty thump thump,
Look at Frosty go.
Thumpetty thump thump,
Thumpetty thump thump,
Over the hills of snow.

(synchronized skating continued). **Synchronized skating** grew rapidly in the late 20th and early 21st centuries and today USFS has approximately 600 registered synchronized skating teams, including collegiate. The Madison Ice Diamonds have 6 teams of varying levels/ages: 5 year olds to adults. Over 80 skaters from different clubs/rinks in the Madison area and surrounding towns/cities make up these teams. The teams have just returned from Ann Arbor, MI where each team competed well against many other teams from all across the country. Tryouts are held each year in early Spring to form the next season's teams. For information: contact MadisonIceDiamonds@gmail.com.
